Please upload all media files separately and label them appropriately. Do not combine video files. For example, do not combine your introductory video with your solo video.

AUDITION VIDEO REQUIREMENTS:

Audition Video - Modern Dance: To be uploaded in one video. Video is not to exceed 12 min. in length.

- Dress Code and film requirements for Modern Dance:
 - The applicant should choose dancewear that clarifies the outline of the body including joints, skeletal alignment, and muscular involvement.
 - Filming should be done against a background that offers the strongest contrast between dancer and space and so that movements are clearly visible.
 - Do not film in costume and do not film into a mirror.
- The audition media should begin with a short technical demonstration in the tradition most familiar to the applicant. Exercises and combinations that comprise the warm-up should be clear and concise, and performed on both sides. Please mount the camera on a tripod and include alternate views (front and side). Include a sampling of warm-up (max 3 minutes), center (max 3 minutes) and traveling combinations (max 3 minutes).
- The warm-up should include floorwork, articulations of the spine, and weight-bearing in the upper body such as inversions and one arm supports.
- Center material should include movement that travels in and out of the floor, demonstrates ability to align the body vertically and off center, and shifts weight between one and two legs.
- Traveling combinations should include movements through a variety of levels, actions leaving the ground, and material that includes a variety of dynamic balances.
- The demonstration will be evaluated regarding the following: alignment, use of weight, dynamic range, spatial clarity, musicality, focus, connectivity and artistry/quality of presentation.
