

SCHOOL OF MUSIC

Fall 2020 Return to Campus Checklist

REQUIRED

- Please review the items listed on the [TCU Healthy Campus Checklist for Students](#).
- Computer or tablet with webcam capability
 - Contact [TCUIT](#) if you do not have access to a computer or tablet with a webcam*
- Brass players only:** Small reusable plastic container (Rubbermaid, Tupperware, or similar)
 - For emptying valves and slides*

RECOMMENDED

The TCU School of Music has a limited supply of all the items listed below for loan should students be unable to purchase an item. Contact music@tcu.edu to inquire about borrowing items.

- USB Microphone compatible with your computer or tablet
 - To assist with audio quality in virtual lessons and other music coursework*
 - Recommended Brands:
 - Audio-Technica AT2020+ Cardioid Condenser USB Microphone
 - Blue Yeti USB Condenser Microphone
 - Blue Snowball iCE USB Microphone
 - Mackie EM-USB Condenser Microphone
- Digital or acoustic piano or keyboard
 - To assist those students who will be taking piano lessons or piano classes online only*
- Folding music stand
 - To minimize sharing music stands, especially in practice rooms*
- 1/4" Headphone Adapter
 - For using on-campus computers or digital piano keyboards*

PROVIDED

- One reusable cotton face mask for every School of Music student
- One cotton hand towel for every School of Music student (especially helpful for brass and woodwinds)
- One clear plastic face shield for every School of Music voice student
- One Win-D-Fender for every School of Music flute student
- One bell cover for every School of Music brass student
- H13 HEPA Filtration units and sanitizing wipes in every practice room and most faculty teaching studios/offices
