## THE VOCAL ARTS AT TCU

### MISSION
To educate and empower students of the Vocal Arts to perform at the highest level in their art and in their lives

### VISION
To take our place as a leading center of excellence in Vocal Arts: regionally, nationally, and globally

### GOALS
To emphasize collaboration
To instill professional and personal integrity
To encourage diversity of thought, skills, and musical expression
To enrich the TCU community and beyond
If music is your passion, TCU is your school.

The new TCU Music Center (projected completion Fall 2020) will place a world-class facility in TCU’s new Creative Commons.

At the heart of this new building is a state-of-the-art performance hall—the Van Cliburn Concert Hall at TCU. This new facility will significantly transform our campus, our programs and the Fort Worth performing arts community.
