

TCU Music Together In-Person and ONLINE
Summer 2022 – 8 Weeks
June 6 – August 1

ABOUT THE DIFFERENT OPTIONS:

In-Person classes are listed first on the schedule.

You will be asked to bring mixed instruments (things you already have around the house)
to class.

Though Mask Requirements and Class # Limitations have been lifted, you will still be asked to monitor your family's health at all times and opt for a Zoom class/Facebook Live class, any day/week your family is unwell. These spots will be opened up as makeups for others to attend so it will be very helpful to let us know as soon as you know you will be unable to make your class due to illness or vacation.

ZOOM –these classes are listed on page 2 of the schedule. Support of these classes will be offered on Facebook with recorded video classes and videos of songs and activities.
