# SPECIAL THANKS

**Bobby Francis, Matthew Garrett, and Brian Youngblood** for your mentorship, patience, and support throughout my Master's program.

**Heath Bain, Joe Donohue, Nathan Grissett, Emily Keliher, and Topy Nguyen** for being fantastic colleagues, and for your help in making this recital possible!

**Alexandra** for being my rock throughout our time in Texas, and for hearing all of my bad jokes first.

My **mother Christine**, and **siblings Emily, Josh & Nathan** for supporting this wild twelve-year musical journey so far (and tolerating my terrible saxophone sounds in 6th grade).

The past teachers who inspire me to pursue music education, including **Luis & Sammy Alvarez, Alan Gonzalez, John Lychner, Douglas Phillips, John Seth, and Michael Tolbert**. Thank you for making this career possible.
