

Welcome to the TCU Summer Music Institute 2025!

In preparation for the TCU Percussion Camp, I have provided information below to help make your check-in experience an easy one.

### **Building Addresses**

The TCU Music Center (MSC): 2900 West Lowden Street, Fort Worth

Samuelson Residence Hall: 3202 Main Drive, Fort Worth

Overnight campers: If you are staying overnight in the residence hall, please check-in at Samuelson Hall first. Check-in begins at 8am. Park in visitor lot 6, cross Stadium Drive and pass through the BLUU arch. Samuelson is up the hill, the first dorm on the left. Look for the signs labeled "Music Dorm Check-in."

Overnight campers need to bring a sleeping bag (or bed linens, extra-long twin sheets), pillow, towel and toiletries. Then, drive over to the MSC for camp check-in.

Day campers: Day campers will check in at the MSC, beginning at 8:00am.

Music Center (MSC) parking is available in Lot 15, located on W Lowden Street. You can drop off your instruments at the MSC before parking. Please see the attached TCU Campus map with buildings circled in red and labeled parking lots.

If you plan to park a vehicle overnight, please alert one of the counselors at check-in, so you can receive a parking pass. Campers are not permitted to use their vehicles during the day/evening while at camp—only for arrival and departure purposes.

**\*\*Please remember to bring your camper's completed Indemnity and Photo Release forms. Campers cannot participate until the completed and signed forms are handed in at check-in. If you need to download it, please visit the SMI website:**

### **IMPORTANT COVID AND SAFETY INFORMATION**

If your camper is not feeling well or exhibits COVID symptoms, the Summer Music Institute requests that the camper stay home until he/she is fever free and healthy.

### **MEDICATIONS**

Please let us know if your son/daughter has to take a required medication. Please download, complete the form and bring it with you to registration. All medications need to be labeled with the camper's name, parent phone number and in a secure container.

### **SUN AND HEAT PRECAUTIONS**

We strongly encourage participants to bring a hat and sunblock to protect themselves

from the sun during their time on the TCU Campus.

All campers will receive a Summer Music Institute water bottle at check-in to ensure everyone stays hydrated.

I look forward to seeing you on Tuesday, June 17! Thank you again for selecting our camp for your summer music educational experience!

Go Frogs!
