School of Music Requirements

Keyboard Skills

Unless exempted by testing, all music majors, register for MUSI 11030, (Class Piano), in the first semester, and must continue in classes until they pass the Keyboard Proficiency exam. This requirement must be met by the end of the sophomore year. Students are not allowed to register for upper-division courses in music until this requirement is met. Piano and organ majors meet this requirement by taking MUSI 20071 and 20081, (Functional Piano).

Recitals

All music majors participate in school and studio recitals. Students majoring in performance are required to present a half recital during their junior year and a full recital during their senior year. Students majoring in music education are required to present a half recital, typically the semester before student teaching.

Juries

A jury examination takes place each semester for majors and minors in performance courses and annually for theory/composition majors beginning the sophomore year. At the end of the sophomore year, this examination determines whether the student is permitted to enroll in upper-division performance and composition lessons. The junior jury and/or recital determine admission to senior standing for performance majors.

Recital/Concert Attendance

Music majors are required to pass MUSI 11000, Recital/Concert - Attendance (Recital Hour), for each regular semester. This is a pass/fail, zero-credit hour course. First-year students may enroll in UNLF 10211, University Life, during the fall semester and then take Recital Hour in the spring. B.M.E. students do not take Recital Hour the semester they are student teaching. Ninth semester students are not required to enroll in Recital Hour.

To receive credit, students must attend a total of 15 events each semester; 6 classes and 9 performances, chosen from faculty and guest artist recitals, student recitals and TCU ensemble concerts. Programs must be signed by a TCU faculty member at the end of the concert for it to count toward attendance. At the end of the semester, students fill out a Recital Hour Concert Attendance sheet and submit a packet of signed programs. The packet is due in the SoM office by 5 p.m. Friday after the last day of classes.

Two-steps ensure that students in the School of Music are fulfilling the requirements for Recital Hour:

Students must pass 3 semesters of Recital Hour before they are eligible to sign up for their sophomore barrier. Students must pass 6 semesters of Recital Hour before they are eligible to sign up for their senior recital. Failure to do these steps may impact progress toward completion the degree program.

Passing Grade Requirements

All music courses taken in the major or minor sequences must be passed with a grade of "C" or better to fulfill graduation requirements.

TCU Core Curriculum

A range of 39-63 hours is required to satisfy the TCU Core.

In the HMVV curriculum, a maximum of two courses may be taken from one subject area (as defined by course prefix), e.g. the course prefix for economics is ECON. You cannot "double-dip" within the HMVV curriculum.

HERITAGE, MISSION,

VISION, & VALUES

*** CA, GA, CSV, and WEM must be taken at TCU.**
 Once you are a TCU student, you must get prior approval from your academic dean to take courses (a maximum of 12 hours) at another college/university. Once you have 54 total hours, you may not transfer hours from a community college.
